All students at CCHS are required to perform a minimum number of community service hours each year. Service activities can either be an organized effort, or as a response to needs that are presented in students’ daily lives. It is expected that community service takes the student beyond the needs of his/her immediate family and circle of friends. One half of the required hours need to be in service with people in special need, persons who are poor or vulnerable (sick, elderly, mentally and physically impaired, etc.)
