The screenshot shows a school website interface with a green and white color scheme. At the top right, the text "High School" is displayed in a green serif font. On the left side, there is a vertical navigation menu with several sections: "Welcome:" with a white input field, a "Log Out" button, and a language dropdown set to "English"; "School Information" with a dropdown arrow; "Student Information" with a dropdown arrow; "Family Information" with a dropdown arrow and sub-links for "Family Home", "Family Profile", and "Username / Password"; and "Resources" with a dropdown arrow. At the bottom of this menu is a "Latest Newsletter" button with an envelope icon and the text "Get the RenWeb Home App". The main content area is divided into two columns. The left column has a header "Family Information" and a large empty white box. The right column has a header "Family Information" and sub-headers "Contact Info" and "Preferences". Below these are labels for "Name:", "Address:", "Home:", "Cell:", "Work:", and "Email Address:", each followed by a white input field. At the bottom of the page, there is an "Online Filing Cabinet" section with tabs for "Web Forms" and "Surveys". Under the "Web Forms" tab, the link "Family Demographic Form - 1" is circled in red. To the right of this section is a "Family" section with a "Disable" link.

Each parent will need to complete the Custodial Parent Form to update their directory preferences.
