INSIDE CHARLESTON CATHOLIC HIGH SCHOOL

Teaching character, compassion, and confidence to the youth of West Virginia for over 90 years

Dear parents:

Today marked the beginning of Catholic Schools Week. Thus, it was the first day of our annual collection of items to support local charities. Today’s agency was the Gabriel Project which supports mothers and babies in need. Our Catholic school community can be marked by our generous hearts, and many boxes of diapers, cans of formula, and packages of wipes were collected. Through this project, we are able to share the gift of our Catholic school with our neighbors and to impact others’ lives, just as our membership in the community shapes our lives.

The last week has been a difficult one for all members of the Charleston Catholic community. We have experienced a myriad of emotions and had a lot to think about. Challenging times like these allow us to come together and to recognize the privilege of membership in our school family—namely, that in hard times we are not alone. We are reminded that we are cared about deeply and that we have people to turn to when we struggle.

May we use this Catholic Schools Week to recognize that we are able to come together and reach out to others in their times of need. May we share our Catholic School with others.

Warmly,

Colleen Hoyer

CONDOLENCES – We express our sympathy to a number of our students and their families who have lost loved ones recently. May the souls of the departed rest in peace: Thomas and Luke Blaydes’ paternal grandfather; Hannah and Matthew Casey’s cousins; Allyson and Samuel Gardner’s father; Claire and Elle Smith’s paternal grandmother; Heather Kerekes’ paternal grandfather; teacher Angie Iafrate’s uncle; and Grace and Liz Litton’s paternal grandmother. Please keep these families in your thoughts and prayers.

WELCOME- We are thrilled to welcome Caleb Brady Leven, son of teacher Avrah Leven and her husband David, to the Charleston Catholic community! Caleb was born December 19 weighing 6.14 pounds and measuring 19.5 inches long. Mrs. Leven will be spending the third quarter on maternity leave with Caleb!

ACADEMIC UPDATES

FIRST SEMESTER REPORT CARDS – were mailed today. Semester grades are composed of first quarter grades, second quarter grades, and exam grades (except in sixth grade where exams are included in the second quarter grade). When you examine your child’s current report card, please note that **quarter GPAs** are reported at the bottom of each quarter’s column. The **semester GPA**, calculated using current semester grades, is located at the bottom of the semester average column, is recorded on a student’s middle school or high school transcript, and is used for extracurricular eligibility determination. The **cumulative GPA (noted on high school report cards only)**, reported at the lower right under the teacher comments, is the cumulative grade point average for all high school semesters. Please note each of these details.

TRANSCRIPTS AND REPORT CARDS – You often hear reference made to the student’s high school transcript. It is helpful for you to know what is included in a transcript. In addition to demographic information (e.g., address, phone, birthdates, etc.), academic and attendance information is recorded. CCHS **does not** include students’ Social Security numbers on transcripts. Students’ courses are listed by grade level and **semester grades** for each course are included. Quarter, exam, and conduct grades are NOT included on the transcript. Only high school courses are recorded on the transcript that will be sent to colleges during a student’s senior year.

THOUGHTS ON MIDDLE SCHOOL EXAMS – Remember that semester exams for middle school students serve an instructional purpose; namely, helping students learn how to take exams so they are better prepared for high school. For this reason, middle school exams make up only a small percentage of the overall grade. Because 6th grade exams were NOT comprehensive for the semester, their “exams” are incorporated as part of the second quarter grade and are not recorded separately. Quarter grades provide a more accurate assessment of your child’s progress. Keep this in mind when reviewing report cards with your child.

PROMOTION POLICY – A review of the CCHS promotion policy is in order, now that first semester grades are official.

- 1.) All students (grades 6-12) must pass both semesters of theology in order to be promoted to the next grade level in June. The required number of community service hours and fine arts/humanities credits must also be completed before being granted a diploma or before being readmitted for the next school year.
- 2.) Promotion to grades 7, 8, and 9 is granted when a student passes both semesters in English, health/PE, math, science, social studies. If a student fails one or two semesters in any of these courses, he/she must complete summer programs, selected by CCHS for each failed semester. Failure to complete these summer requirements will result in the student being denied enrollment at CCHS in August. Middle school students failing more than two semesters in these core courses may not be readmitted to CCHS.
- 3.) Students who fail courses in grades 9-12 must enroll in CCHS-approved summer school programs during the summer following the failure to make up the credit if they wish to remain at CCHS. No more than two semesters of coursework may be earned during the summer. To graduate from CCHS, students must earn 28 specific credits in grades 9 – 12. Since only two summer school sessions are offered, each one worth half a credit, a student who is deficient in more than one credit (i.e., one semester of two classes or two semesters of one class) will be unable to accrue the number of credits needed for graduation.
- 4.) To be classified as a sophomore, a student must have earned 7 credits, 14 credits to be considered a junior, and 21 credits a senior. For graduation, students need 28 academic credits plus an additional credit for community service and fine arts.

RENWEB REMINDERS

RENWEB DEMOGRAPHIC CHANGES – We have begun increasingly utilizing the RenWeb Parent Alert system, as well as the email communication tool. It might be a good idea to check your demographic information in RenWeb. Please log in to ParentsWeb through RenWeb and update your contact information by choosing “WebForms” under “School Information.” Address, phone number, and email information is located in the family demographic form. If

you have questions or need assistance, please call the school office. If you have not yet received a Parent Alert message, please email support@charlestoncatholic-crw.org and include your name and cellphone number(s).

RENWEB BEST PRACTICES—Weekly RenWeb grade emails offer increased knowledge to parents. However, sometimes this knowledge can translate to additional stress on students. Below please find some ideas that might help RenWeb be a beneficial experience for your family.

1. Monitor grades weekly. Facilitate discussion.

By checking in weekly with RenWeb, parents are able to get the big picture of their child's week at school. Talk about what you see together. What did you learn this week? What did you do well? What did you find challenging? Were your study habits for the week successful? Do your study habits need to be adjusted for the upcoming week? Look for areas of strength and weakness.

2. Empower your child.

If your child has a question about a grade or a misunderstood concept, encourage him or her to talk to the teacher first. It is important that our children know we support them as they take control of their own learning.

3. Focus on the big picture.

Frequent monitoring of RenWeb places a large amount of unnecessary stress on students. Teachers create many assignments in their classes that allow students to learn and display their learning in varied ways over time. Students need to have the freedom to participate in these various activities independently and to monitor their own daily progress in their classes.

4. Look for patterns.

RenWeb's itemized grade sheet can help you to identify learning and difficulty patterns. Is my child turning in homework? Did he or she earn any zeros this week? Are reading quizzes a problem? Is there a discrepancy between class work and test grades? If you see a pattern on your child's grade sheet, have a conversation about the patterns you see and decide if teacher follow-up, by either you or your child, is needed.

5. Set a time to review grades that works for your family.

While RenWeb grade updates go out at midnight, grade review doesn't have to be the way your family begins Sunday morning. What makes sense for your family? When do you plan for the upcoming week? Can weekly RenWeb grade review, as well as RenWeb Lesson Plan review, fit naturally into this planning time?

UPCOMING EVENTS

CCHS DRAMA PRESENTS— Greek Mythology! For some, the words inspire great images of adventure and heroism. For others, the mere mention inspires pure hatred and disgust. Either way, Charleston Catholic Drama is proud to present "The Greek Mythology Olympiaganza"! Join us for this laugh-filled farce as battling narrators attempt to cover the entirety of Greek mythology using audience participation, cross-dressing, and general theatrical insanity. Famous myths such as Pandora's Box, Jason and the Argonauts (the original Super Friends), and Hercules: Intern God jostle for space with obscure, weird myths such as the myth of Linus and the legend of the Argus. The production culminates in a bizarre, musical dance-influenced version of *The Iliad* complete with a full-scale battle of little green army men. Performances will be February 8-9, 2019, at 7:30 p.m. in the CCHS Commons. Tickets will be available at the door - Adults \$10 and Students \$7.

SKI CLUB -- The 85 ski club student participants and 4 teachers (Bill Mehle, Lisa Hayes, John Baird, and Sarah Elliott) enjoyed the first few ski trips this year! Since we were unable to ski on January 9, we will take advantage of the February

13 extra date. PLEASE REMIND YOUR CHILDREN TO LOCK UP THEIR BELONGINGS AT WINTERPLACE. They are used to being in a safe, secure environment at school and are extending their trust to the larger world at Winterplace. Parents, please be on time -- 10:30 p.m. -- to pick up your children, who are tired, and to be considerate of our teacher chaperones and sponsors who show such dedication and give a major time commitment to provide this activity for your children. Students are expected to be in school ON TIME the mornings following ski club activities. Students violating this policy will have their ski passes held for a time during the next ski club date.

THE HIGH SCHOOL SCIENCE BOOK CLUB-- reading selection for the second semester is *The Tales Teeth Tell: Development, Evolution and Behavior* by Tanya Smith. Mrs. Arnold has been in touch with Dr. Smith, a biological anthropologist, who has offered to Skype with the book club members. Any high school student may join this club. We will meet four times this semester during lunch to discuss sections of the book. Please contact Mrs. Arnold for more information.

SOPHOMORE CAMP— Once again this spring, all sophomores enrolled in Catholic high schools in the Diocese will participate in The Summit, a 3 day 2 night camp at Camp Bosco in Huttonsville. Our sophomores will be attending from Monday, April 8, 2019, through Wednesday, April 10, 2019. Students will depart from school at lunch time on Monday and will return to school on Wednesday afternoon. The camp will be structured in a seminar style experience with speakers and breakout sessions focused on leadership. Activities will be led by diocesan personnel, but faculty and parent chaperones will be engaged in monitoring students. **Parent volunteers are needed!** A parent meeting to share more details will be held on **Thursday, March 7, at 7 p.m.** in the chapel. **Permission forms will be sent home on Friday, March 8, and will be due Wednesday, March 13.**

FRIDAY, FEBRUARY 15 – We will continue our annual tradition of remembering *Bobby Hypes*, a member of the CCHS class of 2008 who died of heart disease on February 5, 2006, with a “Wear Red for Bobby Day.” Students may wear red sweaters/shirts with jeans or khakis with a \$2 contribution to help fund the CCHS Bobby Hypes Memorial Scholarship. The partial-tuition scholarship, awarded to a rising freshman each year, celebrates Bobby’s life and reminds each of us to live as Bobby did – kindly, appreciatively, and enthusiastically. Mr. and Mrs. Hypes will visit CCHS and join us for lunch that day. Donations to the scholarship fund are also accepted.

FROM THE SCHOOL OFFICE

HOMEWORK HOUR- The school library is open to all students for distraction-free homework completion and study each week on Monday - Thursday afternoons from 3-4 p.m. Mrs. Shindle is in the library to supervise students while they work.

FLU SEASON- Flu season is upon us! Let’s do the things that we can to help prevent the flu from spreading throughout our school community. First, students should wash hands frequently with soap and water for at least twenty seconds. Coughs and sneezes should be covered with a tissue or a bent arm. If a tissue is used, it should be thrown away immediately and then hands should be washed. Students who are sick should stay home from school! The CDC advises that anyone with the flu should stay home until at least 24 hours after they no longer have a fever or signs of a fever (chills, feeling very warm, flushed appearance, or sweating) without the use of fever-reducing medicine. By working together on these items we can do our best to keep our community healthy.

PARENT ALERT COMMUNICATION TOOL—We have tested and will increasingly be using our Parent Alert text system (a Ren Web component) as a means of communication in addition to the school website (www.charlestoncatholic-crw.org), Twitter feed (text “follow cchsnews” to 40404), and RenWeb email. Be on the lookout for these texts with important school updates including announcements from the school office AND ALL WEATHER RELATED CLOSINGS/ DELAYS.

VIRTUS— Be sure you are able to help! All parents or other adults who volunteer, coach, drive students, chaperone, etc., are required by the Diocese to complete the diocesan sexual abuse awareness training before being allowed to work with our students. Training is available online or at sessions periodically scheduled. To begin, visit the VirtusOnline.org and choose the online option. Allow 1- 1½ hours to complete the program. Print out the certificate of completion and submit it to Mr. Villers. It is still necessary to complete the background check and sexual abuse awareness statement which can be done by clicking on the link at the school website at www.charlestoncatholic-crw.org. If you have questions, please call Mr. Villers.

Adults who volunteer, coach, or chaperone, may be asked to update background and policy forms. Background checks must be updated every three to five years depending on your role in the school. Policy questionnaires should be updated if they were signed before 2014. Current Diocesan guidelines do not require volunteers to update the training portion of VIRTUS. Please contact Mr. Villers with any questions and to update your forms.

GLOVES NEEDED-- The science department is in need of latex and vinyl gloves of all sizes for dissections and other lab activities. Donations are appreciated.

PEER TUTORING- One on one peer tutoring is available after school in the library from 3-4 p.m. at a cost of \$10 an hour. Students are matched up on a first-come, first-serve basis based off of grade level and subject. Please keep in mind that many of our high school students participate in extracurricular activities outside of the normal school day, and because of that, there are limited numbers of tutors. If there are no peer tutors available, your child will be put on a waiting list and will be matched as soon as a tutor becomes available. Please call the school office and ask for Mrs. Aibel if you are interested.

The Mu Alpha Theta honor society offers free math tutoring Tuesdays and Wednesdays after school to any student, grades 6-12. Tuesdays' tutoring sessions are held in room 313 and Wednesdays' sessions are held in room 205.

OUTSIDE FORMS- If your child needs to have forms filled out by teachers or other school staff for a physician's evaluation, please send them to the main office with a note. Please note that any form filled out for the purpose of evaluation must be sent directly to a specific doctor or group; forms will not be returned to the child or parent.

MEDICATIONS –REMINDER: When students need to take prescription medication at school, the medicine must be sent to the office with a doctor's order and the appropriate diocesan forms and in a plastic zip-lock bag with the student's name clearly labeled. Also, any medications kept at school for various reasons – e.g., asthma, allergies, etc. – should be sent to the office in a bag with the doctor's order and an allergy or other medical plan, if applicable. Over the counter medicine such as Advil, cough drops, etc. need to be in a plastic bag with student's name clearly marked and with specific information stating when such items should be dispensed.

IMMUNIZATIONS--The health department asks all schools to keep students' immunization records updated. If your child has had recent shots, please send CCHS a copy of new health records. **All rising 7th and 12th graders are required to have updated Tdap and meningococcal vaccines before they enter school in August. Once your child has these vaccines, an updated immunization record must be submitted to Mrs. Thomas.**

IF YOUR LAST NAME IS DIFFERENT FROM YOUR CHILD'S NAME – please put the child's full name on all checks issued to CCHS and to any correspondence sent to the school.

PROOF OF ENROLLMENT FORMS -- for drivers' licenses and permits may be requested in the school office using the CCHS request form. It will take two school days for the forms to be completed by office staff.

MIDDLE SCHOOL UPDATES

NOVELS FOR SEVENTH AND EIGHTH GRADE ENGLISH- Please be sure your children have copies of the following novels for class this semester.

8th grade English: Please have a copy of *The Outsiders* by S.E. Hinton (ISBN: 978-0142407332) by Monday, February 11.

7th grade English: Please have a copy of *The Thief* by Megan Whalen Turner (ISBN: 978-0062642967) by Monday, February 11.

MIDDLE SCHOOL WORLD CULTURES CLUB- The next Middle School World Cultures Club meeting will be Thursday, February 21, from 3-4 p.m. in Mrs. Hurt's room for the French celebration of Le Chandeleur. There is a \$5 fee for snack and supplies. Please e-mail Mrs. Hurt at jennifer.hurt@charlestoncatholic-crw.org to sign up. All middle school students are welcome.

GOLDEN HORSESHOE - A highlight of the eighth-grade year is the opportunity for a student to become a Knight or Lady of the Golden Horseshoe. Named for the golden horseshoes given to the early explorers of what is now West Virginia by Alexander Spotswood, the Governor of the Virginia colony, the program recognizes students for their knowledge of West Virginia history. Later this winter, eighth-grade students from all over the state will take a computerized assessment on West Virginia history, facts, and trivia. Top scorers from each county are awarded a golden horseshoe by the governor in a ceremony at the capitol in May. Kanawha County's date for the Golden Horseshoe test is Wednesday, February 27th. There is no make-up date, so please make sure that your child does not have an appointment scheduled that day! Our eighth-graders will be taking the test in the school computer lab during their WV Studies class. Students have been gathering information in WV Studies class, but additional practice quizzes can be found on the WV Culture and History website (wvculture.org) and the WV Department of Education website. Ms. Phebus will hold study sessions after school from 3:00-3:30 every Thursday until the test.

SOCIAL STUDIES FAIR - Social studies education is essential for the preservation and improvement of our society. Effective social studies education requires the engagement of the learner in the investigation of history and its relationship to current events. The West Virginia Social Studies Fair provides this opportunity for students. All seventh graders will participate in a School Fair on Tuesday, February 26. Presentations and judging will take place in the Commons from 3:00-5:30. Winners will move on to compete in the County Fair on Saturday, March 9, at DuPont Middle School. An information packet was sent home with students in December. Please contact Ms. Phebus if you have any questions.

NOTES FROM THE ACADEMIC ADVISOR

1.) **West Virginia Governor's Schools:** The State of West Virginia is proud to offer The Governor's Honors Schools, residential summer sessions for academically and/or artistically talented students from across West Virginia. The programs are based on the premise that West Virginia's youth must be provided with special opportunities for learning and personal development in order for them to realize their full potential. There is no cost to families of students who are accepted to these competitive programs. Those who have attended these programs in the past describe them as "life-changing." It is time to start thinking about whether this might interest your child. For more information, visit <http://www.govschools.wv.gov/>.

Governor's Honors Academy (GHA) - Marshall University (June 30 -July 20)

This program offers endless opportunities for the highest achieving rising seniors to live and study with like-minded students in an intellectually stimulating environment. Current juniors may apply. Please let Mrs. Herrick know if you are applying.

Governor's STEM Institute (formerly GSMS) - current 7th grader sessions at WVU (June 25-July 3; July 5-13); current 8th graders at the Green Bank Observatory (July 22-August 4th)

This program encourages students to delve into projects that allow them the time and opportunity to think and work like scientists, using high level mathematics and thinking skills. Current 7th and 8th graders may apply. Please let Mrs. Herrick know if you are applying.

Governor's School for Entrepreneurship (WVGSE) - West Virginia University (June 13-July 3)

In an effort to provide a dream-realizing experience, WVGSE offers high-school students the chance to dream about a new business or product and then make it happen. Young innovators are thrown into an "accelerator" atmosphere where in three short weeks, they learn about business models, design thinking, and scaling new startup ventures. There are team competitions, a pitch competition, and the opportunity to actually launch a new business venture. In fact, every young innovator will be an entrepreneur by the end of GSE. Please let Mrs. Herrick know if you are applying.

2.) **8th Grade Parent Meeting** -- Mark your calendars for Wednesday, January 30th, at 7:00 p.m. Please come to learn about high school course offerings and requirements, high school extracurricular sports and activities, and the path to college and careers, including resume building, scholarship opportunities, and more. It's never too early to start thinking about your child's future.

3.) **PROMISE scholarship and FAFSA deadline** – March 1. All students in the class of 2019 must complete BOTH the PROMISE and the FAFSA applications in order to be considered for the PROMISE scholarship. Additionally, colleges and universities throughout the country use FAFSA information to determine scholarships and financial aid. Go to www.cfwv.com then Financial Aid Planning. (Note: Please use all zeros for the student ID number.)

4.) **SAT and ACT CLASS FOR SOPHOMORES AND JUNIORS**-- "Tricks of the Trade" is Charleston Catholic's very own SAT and ACT prep class. The course is designed by Mrs. Griffith (AP Calculus and AP Physics teacher) and Mrs. Herrick (former high school English teacher) specifically for our students, keeping in mind what they have already learned in class and building upon that knowledge. Students will split the time equally between the two teachers, covering the math, science, writing, and reading sections. The course will begin Sunday, February 24, and will run for six weeks meeting from 5-9 p.m. in the CCHS library. The cost is \$300. Please email Mrs. Herrick at andrea.herrick@charlestoncatholic-crw.org if you have any questions or if you wish to register your child.

5.) **PSAT results** for students in grades 8-11 were mailed mid-January. Please review these detailed reports and contact Mrs. Herrick if you have any questions.

6.) **Juniors--mark your calendars!** On April 9, CCHS will participate in the SAT School Day (a *free* test administered to all CCHS juniors).

COMMUNITY SERVICE AND GIVING

BOXTOPS FOR EDUCATION AND SERVICE TO OTHERS!—Don't forget to clip your Box Tops for Education and send them in to the sixth grade theology classes. Money raised through the Box Tops will be used to help local nonprofit agencies that the students will be learning about in theology class. Box tops don't have to be trimmed neatly - simply tear them off and stick them in an envelope or sandwich bag. Please check the top to make sure it has not expired!

HOPE 2019 – Planning is underway for our 15th summer of HOPE. This year we will partner with Cabwaylingo Appalachian Mission and serve in Wayne and Mingo counties. Our group of juniors, seniors, college age alumni and adult work crew leaders will make significant repairs at the homes of low income families and seniors during the week of **June 23-28, 2019**. We need to raise **\$25,000** to purchase building materials to make these homes warmer, safer, and drier. Please consider making a **tax deductible donation, 100% of which will go toward the purchase of construction supplies**. Checks can be made payable to Charleston Catholic and sent to the school office to the attention of Bill Mehle, HOPE Coordinator, or donate online at www.charlestoncatholic-crw.org and search “Donate to HOPE.”

SUPPORT CCHS AS YOU SHOP— Kroger and Amazon both offer rewards programs that are easy to use and that benefit CCHS. Your support is much appreciated!

- 1.) The **Kroger Community Rewards is a simple but beneficial program**. To enroll, go to www.krogercommunityrewards.com and use the Charleston Catholic organization number **LH615**. Be sure you have your Kroger Plus card available when you register. Kroger Plus Cards are available at the Customer Service desk at any Kroger. To participate in the program, just register your **Kroger Plus Shopper's Card (as outlined above)**, use the card when you checkout, and Charleston Catholic will receive a check from Kroger on a quarterly basis.
- 2.) When you shop at Amazon.com, the **AmazonSmile program** will donate 0.5% of your purchases to CCHS when you log in to your Amazon account using the address <http://smile.amazon.com/ch/55-0630688> (or by clicking on the link on the School Home section of RenWeb) to enroll in the program.

BECOME A BASEBALL FIELD SPONSOR-- Over the last year and a half, the Kanawha County Commission embarked on an ambitious effort to revitalize Shawnee Park in Dunbar into an impressive multi-sport complex. The first phase of the Shawnee Sports Complex, the soccer fields, opened this past summer and the baseball/softball complex is currently under

construction. Thanks to the good work and vision of Kanawha County Commissioners Kent Carper, Ben Salango, and Henry Shores, the Shawnee Sports Complex is an impressive new resource for our community.

We are pleased to announce that, thanks to the generous support of CCHS alumni, Greg and Kim Burton, along with their sons Nick and Nate, **our baseball team will have a future home at Shawnee.**

The Burton Family's significant financial contribution was the major factor in enabling us to secure a field sponsorship at Shawnee. The sponsorship gives our high school baseball team scheduling priority on the field for our home games and post season games during the high school season for the next 15 years. And our **IRISH logo** will be proudly displayed in the Field Turf behind the home plate circle.

We are in need of others to join the Burton Family in support of this field sponsorship. Our goal is to raise **\$50,000**. We invite you to consider becoming a sponsor for our IRISH Baseball Field at the Shawnee Sports Complex. **Your financial support will help make the new home for Charleston Catholic Baseball a reality.**

Please consider joining us in this new adventure. Sponsor forms are available on the school website's Athletics page. Please contact Mrs. Hoyer if you have any questions or would like additional information.

NOTES FROM THE PARENT VOLUNTEER ASSOCIATION (PVA)

All volunteers must be 100% VIRTUS compliant.

- 1.) **Catholic Schools Week, January 28 - February 1**, is here! As an act of service during Catholic Schools Week, CCHS reaches out to the community around us. This year, we will be collecting donations for charities with a focus on children. While the CCHS family is familiar with most of the charities we will serve again this coming year, we will also serve the Bob Burdette Center (BBC) and the students it assists. Below is a list of the charities and the items they have requested. Any 8th-grade parents who would like to volunteer to help (i.e. by collecting donations from students, sorting donations, and delivery), please call Jessica Anton (304-546-2159) or Trina Smith (304-395-7733).

For questions, please contact Kathy Atassi (304-415-0071) for jackets, Christi Preston (304-550-0239) for green polos, and Marsha Hoyer (304-552-8065) for white polos. OFFICIAL UNIFORM POLOS MUST BE PURCHASED THROUGH PVA. Please note that students who are members of athletic teams and academic competition teams are permitted to wear an official CCHS kelly green polo shirt to school on designated dates – normally home games and post-season games designated by the principal.
- 3.) **CAFETERIA VOLUNTEERS** – Second semester volunteer schedules have been emailed. Many thanks to those of you who volunteered to help in the cafeteria. If you have questions about the schedule, please contact Kim Javins (kim.javins@suddenlink.net or 304-549-3939). If you are unable to attend on your scheduled day, please find a sub and let the kitchen staff at school know by calling the school at 304-342-8415.
- 4.) **Parent involvement** is critical for the successful operation of the CCHS athletic program. Helping transport students to games and practices, working gates, being supportive of the players and coaches, attending games, and participating in the team lunch program are just a few ways that parents help. EVERY parent of an athlete is needed to support the teams! Each sport is allocated one team lunch, and guidelines and dates for these lunches will be distributed to parents at the beginning of each season, once team rosters have been established.
- 5.) **Athletic family passes** are available through the PVA. These passes are good for immediate family members only (not cousins, in-laws, ex-in-laws, grandparents, fiancées, etc.) to attend CCHS home games. The passes do not cover away games, tournaments played at home, or any SSAC tournaments (sectionals, regionals, etc.). Cost is \$150 for all home middle school games only, \$175 for all home high school games only, and \$200 for all home games (both levels). A \$100 student or senior citizen pass for all home games is also available. Please contact Lynn Brookshire at [304-541-4649](tel:304-541-4649) if you have questions about these passes.
- 6.) **PVA packets** including volunteer forms and all ordering forms for logo jackets, white polos, and green polos are still being accepted. Forms are available on the school website (www.charlestoncatholic-crw.org).

PARENT VOLUNTEERS NEEDED

ATTENTION: FRESHMAN PARENTS – The 9th grade class will continue the tradition of hosting the Baccalaureate reception for this year's graduating seniors and their families on Thursday evening, May 23, 2019. This event takes significant planning and input from all freshmen parents. We are in need of ninth grade parent volunteers to help. Additional information for ninth grade parents is included in this mailing. For more information, please contact Marilyn Ford at 304-610-4243 or Mford0487@gmail.com.

ATTENTION: SOPHOMORE PARENTS – Hosting Project Graduation is the tenth grade parent project. It is an all night lock-in aimed at giving the graduating class a safe and fun place to celebrate with their classmates and the junior class one last time. This year it is scheduled to be at the Charleston YMCA on Friday, May 24, 2019, from 10:30 p.m. - 4 a.m. Please be on the lookout for a letter with details of how you can get involved. For more information, please contact Stephanie Hopkins at Stephhopkins@frontier.com or 304-807-0052. Thank you in advance!

ATTENTION: JUNIOR PARENTS-- The juniors are in the planning phase for prom and are being encouraged to share their ideas with their parents. Any parent who would like to help should pass the word along through their student or contact Mrs. Leven at avrah.leven@charlestoncatholic-crw.org or Mrs. Urecki at marilyn.urecki@charlestoncatholic-crw.org. You can sign up for Remind for periodic updates by texting to the number 81010 with the message [@cchsprom19](https://www.remind.com).

KING CAKE VOLUNTEERS NEEDED-- The PVA King Cake Committee is seeking volunteers to bake King Cakes and bring them to school on "Fat Tuesday," March 5, 2019, for the students, faculty and staff to enjoy. A recipe will be provided. If you are interested in helping with this project, please contact Amy Tawney by email at atawney@bowlesrice.com or by cell at 304-546-7179.

HANDBOOK REMINDERS

LATE WORK - Work is due on the date and in the class period assigned by teachers. Work turned in after the teacher has collected the assignment to work turned in one day late will be eligible for up to 50% of the total points possible for the assignment if the teacher chooses to accept late work. Work submitted after that date will receive zero points.

UNIFORM POLICIES- Uniforms are required for all students beginning the first day of school. The dress code is in effect from 7:45 a.m. until 2:45 p.m., including lunchtime both on and off campus. **Students with uniform violations will be sent to the office by their teachers. If a student has a test, and is in violation of the uniform policy, the student will take the test and be sent to the office once the test is complete. Any class time missed due to being out of uniform will be considered an unexcused absence.** Students sent to the office for being out of uniform will be expected to:

1. Correct the problem immediately. This may include, but not be limited to, changing clothes, removing a t-shirt, etc. The student will be counted absent or tardy from the class he/she was sent out from. Students with 1st period violations will be counted tardy, but will not receive the automatic lunch detention if the problem is corrected immediately.
2. If the problem cannot be corrected immediately at school, parents may be notified to bring appropriate clothing to the student, take their child home to correct the problem, or give permission for their child to drive home to correct the problem. Lunch detention will be assigned to be served that day. Repeat offenders will receive additional consequences.

Students should never presume that they have permission to wear non-uniform clothing to school.

ATHLETIC UPDATES

STUDENT-PARENT ATHLETIC COMPACT- Participation in athletics should be a positive, learning experience for our young people. There will be disappointments, but the goal is that student athletes feel supported and satisfied with the overall experience. Parents of student-athletes play an important role in helping their children learn how to participate appropriately. Parents should set the example that is expected of our students. Namely, they should exhibit good sportsmanship and show respect for everyone associated with the program. They should help establish balance in their children's lives by supporting participation in athletic and extracurricular activities while placing primary importance on academics. Parents should give consistent encouragement and support to their children regardless of the degree of success, the level of skill, and the time on the field, and they should leave the coaching to the coaches and not place their children in the uncomfortable position of having to choose between their parents or their coach. Our athletic program would not be possible without the support of our parents and we thank you for your commitment. Additional details of the Student-Parent Athletic Compact can be found in the Parent-Student Handbook.

NOTES ON THE ATHLETIC FACILITY – Please drive slowly and carefully when you are at the CCHS athletic facility (and in the school neighborhood, of course!). Lots of people are on foot and we certainly don't want anyone to get hurt. **Also, please park only in approved parking spaces and not along the streets or on the road.** No outside food or drink is permitted in the building. Tailgating is prohibited. Students are expected to remain in the facility once they arrive for the school event.

ATHLETIC ELIGIBILITY – Keep in mind that eligible students must have at least **an unweighted 2.0 grade point average for the semester** and must be in good behavioral and academic standing at CCHS in order to participate in extracurricular activities. Attaining such standards should be a given for our students.

WINTER SPORTS UPDATE- We are in the middle of a busy winter sports season and our student athletes are working hard.

- The **high school swim teams** are really starting to hit their stride late in the season under first year coach Garner Marks. After placing second overall in the Hatfield and McCoy Invitational, the team also earned a second place finish in their last meet. They will now start focusing on regionals which will be held on February 2 at 10 a.m. at Marshall University.
- The **high school boys' basketball team** is currently ranked tenth in the state with a record of 7-5. Four of the five losses came to top five opponents and all by ten points or less. The Irish senior night will be on February 8 at 7:30 p.m. Sectional play will begin on Monday, February 25. Congratulations to senior Robby Williams for scoring his 1,000th point for CCHS earlier this season!
- The **Lady Irish basketball team** has faced many challenges early this season, taking on seven of the top ten teams. They remain focused and will be ready when sectional play begins February 18. They are hoping to make another run in March. Senior Night will be February 13 at 7 p.m.
- The **middle school boys' basketball team** has had its share of ups and downs this season but have played competitively, losing to two top five teams in close games on the road this season. They are focused on making it into the County Tournament which will be February 18-21.
- The **middle school girls' basketball team** started the season with a loss, but then won six straight! They have fallen in a few close games on the road to some of the top teams in the conference. They are in a four way tie for fourth place in the conference and remain very much in the hunt as tournament play approaches. The tournament will be February 11 - 14.

Spring sports are just around the corner. All spring sports will start practice on the week of February 25. Good luck to all of our teams. Let's go Irish!

SPRING SPORTS -- Though spring still seems a way away, it is time to start planning for spring sports. Schedules are being built. Meetings will be held over the next few weeks for all spring sports. If you have questions about a particular team, contact Jacob Nelson, CCHS Athletic Director at jacob.nelson@charlestoncatholic-crw.org.

TRAVEL—Students may not drive to school events, such as field trips or “away” athletic events, taking place at locations other than Charleston Catholic facilities or other designated “home” locations. Students must ride to and from the event with adults (age 21 or older) who have met the Diocesan requirements for field trip drivers.

OPPORTUNITY – Join the other local business taking advantage of the opportunity to reach the Charleston Catholic community. Add your business to The Wall in the competition gym at the CCHS Athletic Facility. If you're interested in adding your business or well wishes to the wall, 3 foot by 6 foot customizable banners are available. To learn more and order a banner for your business, contact Kathy Crain at 304-541-4182.

BASEBALL GAME DAY SPONSORSHIP -- The high school baseball team is scheduled to play 2019 home games at UC's Triana Field until the Shawnee Complex is complete. **Please consider a Game Day Triana Field**

Sponsorship. A \$200 donation covers the cost of the field rental for one game date. Your firm or company's name will be displayed at the field on your game date. Game Day Sponsor Forms are available from our athletic director, Jacob Nelson, and on the school website. Click on the "Athletics Home" tab or search Triana.

- to our winter coaches and extracurricular sponsors for their dedication to providing our students with meaningful learning opportunities.

SCHOOL CLOSURE INFORMATION

SCHOOL CLOSINGS/DELAYS DUE TO SNOW/ICE – It seems as though winter is truly here. In case they should become necessary, please be sure you are familiar with our closing and delay procedures. **Remember that school closings and delays are announced on the CCHS website, are tweeted through cchsnews, and are shared through RenWeb Parent Alert.**

- 1) CCHS/SHGS will NOT follow ANY of the Kanawha County Schools' weather-related procedures.
- 2) Families may connect to the CCHS website or listen to the radio/television for changes to CCHS/SHGS schedules. The following stations will be notified by 6:15 a.m. if there are changes to be made: WV Public Radio, WCHS radio, WCHS-TV, WSAZ-TV, WOWK-TV, V100, 96.1, and WKAZ. **The CCHS website will be updated, a tweet will be sent through cchsnews, and a Parent Alert will be sent.**
- 3) If no announcements are made for CCHS/SHGS, classes will be held on the regular schedule.
- 4) **If a two-hour delay is announced, classes will start promptly at 10 a.m.** The building will not open until 9:30 to give staff time to get to school. Please do not drop off your children before 9:30!
- 5) As always, if you cannot get your child to school for health or safety reasons, notify the school.

SNOW E-DAY POLICY

While we plan in excess of 180 days for each school year, we never know what the weather might bring. We have two days still allotted in our calendar, and hopefully we will not have to use them. However, if we use all of our days, whether for weather or any unforeseen reasons, we will activate our e-day plan. Though we hope not to need our “e-day plan,” we want to alert our school community to the possibility now. **In the event that the e-day policy becomes active, it will be noted on the school website and in the messages (Parent Alert and cchsnews) that announce the school closing.**

If the e-day should become necessary, the following plan will be activated:

1) By 9 a.m. on days that school is closed, teachers will post instructions for their classes in the Lesson Plan section of Ren Web for the current day. Students can access this information through any internet connection, e.g., computer, iPhone, iPad, etc.

2) Assignments for each class will be about 30 minutes in length. Teachers will keep in mind what materials students would have available at home. Some assignments may be reading, watching videos, applying a concept, working problems, completing a worksheet, writing an essay, etc. Students without internet access may need to call a friend to get assignments. As is always the case, if students do not have access to printers at home, they can send them to the CCHS printer on the school website.

3) **In order for a student to count the e-day as a day of attendance in each class, assignments must be submitted within two days of school’s reopening**. Because there may be rare cases in which families do not have home internet access, either through a computer, iPhone, or other device, this two-day allowance is being made to allow all students the opportunity to complete assignments and count toward attendance. Students who do not submit assignments within two days of the school’s reopening will be marked absent for each class for which an assignment was not completed.

4) Completion of each class’ assignments is required. Namely, as is the case in a regular instructional day, each e-day assignment counts for a grade in teachers’ gradebooks. Failure to complete an assignment will result in a zero for each assignment.

CALENDAR FOR 2018-19

FAMILY TRIPS, APPOINTMENTS, ETC. -- Please avoid taking students out of school for vacations, family trips, appointments, etc. If students miss school for any reason (including illness), it is their responsibility to find out what they missed. The policies for making up work are included in the Parent-Student Handbook. If your child is ill or will miss school for any reason, please notify the school office by 8:30 a.m. In addition, at the end of the semester students who have had excessive absences/ tardies will have to stay after school to make up time missed.

Please use this calendar in your planning. Remember that exams must be taken on scheduled exam days, and students who are absent more than 5 days in a semester will have to make up those days at the end of the semester. Please note that, as is the case each school day, teachers administer tests/quizzes, have assignments due, and teach lessons on the days immediately preceding and following school holidays. Students who take extended holidays run the risk of affecting their grades.
