# INSIDE CHARLESTON CATHOLIC HIGH SCHOOL

Teaching character, compassion, and confidence to the youth of West Virginia for over 90 years

Dear parents and students:

Today marks the beginning of Catholic Schools Week, a national celebration when we recognize the blessings that our Catholic schools are in our lives and in our communities. This year’s theme of “Faith. Excellence. Service.” no doubt highlights some of the hallmarks of Charleston Catholic High School. Our longstanding tradition of academic excellence provides our students with foundations to be successful when they move on to the next level. Our robust theology program enables students to be thoughtful, faith-filled people who support others on their faith journeys. The Charleston Catholic mission statement encourages us to make the world a better place which we strive to do through service to our neighbors.

However, I am reminded time and time again of the family that exists within Charleston Catholic, not just within our walls but through the relationships that are built and that carry far beyond the building at the corner of Leon Sullivan Way and Virginia Street.

As a CCHS alumna, I am proud to be a part of the network of alumni who remain connected across the years and the miles. I regularly hear from my CCHS classmates and love to see pictures of their families as they embark on adventures around the county and the world. I watch as my husband chuckles while reading texts from a large group of his classmates who have an ongoing group text about all aspects of life. There is no doubt that Charleston Catholic has created a bond that unites us.

During this Catholic Schools Week, may we take some time to reflect on what Charleston Catholic means to us. May we appreciate the relationships we form in this community and may we take the opportunity to grow deeper in faith while we serve others and pursue excellence in our endeavors.

I wish you a happy Catholic Schools Week.

Warmly,  
Colleen Hoyer

**CONDOLENCES**– We express our sympathy to our families who have lost loved ones recently. May the souls of the departed rest in peace: Josef and Heidi Brammer’s maternal grandfather, Grace Javins’ maternal grandmother, and Zion Suddeth’s maternal uncle. Please keep these families in your thoughts and prayers.

## ACADEMIC UPDATES

**FIRST SEMESTER REPORT CARDS** – were mailed today. Semester grades are composed of first quarter grades and second quarter grades. The quarter with the higher grade was weighted 60% of the semester grade and the lower grade was weighted 40%. When you examine your child’s current report card, please note that **quarter GPAs** are reported at the bottom of each quarter’s column. The semester GPA, calculated using current semester grades, is located at the bottom of the semester average column and is recorded on a student’s middle school or high school transcript. As it appears on the high school report card, the GPA is weighted. However, the unweighted semester GPA is used for extracurricular eligibility determination. The **cumulative GPA (noted on high school report cards only)**, reported at the lower right under the teacher comments, is the cumulative grade point average for all high school semesters. Please note each of these details.

**TRANSCRIPTS AND REPORT CARDS** – At this time of year, there is a lot of talk about grades being recorded on a transcript. It is important for you to know what is included in a transcript. In addition to demographic information (e.g., address, phone, birthdates, etc.), academic and attendance information is recorded. CCHS **does not** include students’ Social Security numbers on transcripts. Students’ courses are listed by grade level and **semester grades** for each course are included with a letter grade and a number grade. Quarter, exam, and conduct grades are NOT included on the transcript. Only high school courses are recorded on the transcript that will be sent to colleges during a student’s senior year.

**PROMOTION POLICY** – A review of the CCHS promotion policy is in order, now that first semester grades are official.

- 1.) All students (grades 6-12) must pass both semesters of theology in order to be promoted to the next grade level in June. The required number of community service hours and fine arts/humanities credits must also be completed before being granted a diploma or before being readmitted for the next school year.
- 2.) Promotion to the next grade is granted when a student earns credit for each semester’s courses.
- 3.) Students who fail courses must enroll in CCHS-approved summer school programs during the summer following the failure to make up the credit if they wish to remain at CCHS. Students failing more than two semesters in one school year may be placed on academic probation or may not be readmitted to CCHS for the following school year.
- 4.) 4. In 6th, 7th, and 8th grade students must earn a total of 7 credits each year. To be classified as a sophomore, a student must have earned 7 credits, 14 credits to be considered a junior, and 21 credits a senior.

**MAP TESTING**—This year we will bypass the winter round of MAP testing for the majority of our sixth through tenth graders. Because of the back and forth nature of the school year, we would like to spend as much time as possible focused on instruction. We will offer MAP testing though to our eighth graders in science (which will be administered during a science class period) and to students who were unable to test in the fall. The testing window closes March 5, so we are finalizing testing details and will be in touch with eligible students and their families in the coming weeks. All sixth through tenth graders will participate in the end of the year MAP testing in late April.

## RENWEB REMINDERS

**RENWEB CONTACT INFORMATION** –If any of your demographic information changes or if you are not receiving weekly RenWeb emails with grade reports, please update your demographic information in RenWeb. Log in to ParentsWeb through RenWeb and update your contact information by choosing “WebForms” under “School Information.” Address, phone number, and email information is located in the family demographic form. If you have questions or need assistance, please call the school office.

**RENWEB BEST PRACTICES**—As we begin the second semester, students get a fresh start with their grades in their courses. It is important to have a healthy knowledge of and discussion about students’ grades. RenWeb grade emails

offer increased knowledge to parents. However, sometimes this knowledge can translate to additional stress on students. Below please find some ideas that might help RenWeb be a beneficial experience for your family.

**1. Monitor grades weekly. Facilitate discussion.**

By checking in weekly with RenWeb, parents are able to get the big picture of their child's week at school. Talk about what you see together. What did you learn this week? What did you do well? What did you find challenging? Were your study habits for the week successful? Do your study habits need to be adjusted for the upcoming week? Look for areas of strength and weakness.

**2. Empower your child.**

If your child has a question about a grade or a misunderstood concept, encourage him or her to talk to the teacher first. It is important that our children know we support them as they take control of their own learning.

**3. Focus on the big picture.**

Frequent monitoring of RenWeb places a large amount of unnecessary stress on students. Teachers create many assignments in their classes that allow students to learn and display their learning in varied ways over time. Students need to have the freedom to participate in these various activities independently and to monitor their own daily progress in their classes.

**4. Look for patterns.**

RenWeb's itemized grade sheet can help you to identify learning and difficulty patterns. Is my child turning in homework? Did he or she earn any zeros this week? Are reading quizzes a problem? Is there a discrepancy between class work and test grades? If you see a pattern on your child's grade sheet, have a conversation about the patterns you see and decide if teacher follow-up, by either you or your child, is needed.

**5. Set a time to review grades that works for your family.**

While RenWeb grade updates go out at midnight, grade review doesn't have to be the way your family begins Sunday morning. What makes sense for your family? When do you plan for the upcoming week? Can weekly RenWeb grade review, as well as RenWeb Lesson Plan review, fit naturally into this planning time?

## COVID COMMUNICATION UPDATES

**COVID EXPOSURE REPORTING-** The ongoing and open communication between home and school related to illness and COVID cases and exposures is of utmost importance. Many thanks for keeping us in the loop. If anyone in your household is undergoing COVID screening due to an exposure or illness, please keep your students home until receiving negative test results. Please use [health@charlestoncatholic-crw.org](mailto:health@charlestoncatholic-crw.org) to notify the school administration if you learn of an exposure of your student or a household member after school hours. Please use this email address to report COVID-19 exposures, positive tests, or questions. Please call the school office at 304-342-8415 and speak with an administrator if you learn of the exposure during school office hours.

**ABSENCES-** Virtual participation has been designed to support our students who are ill and to encourage students to stay home if they are sick so that we can keep our school community healthy. Planning for virtual learning, in addition to in person learning, requires significant time and effort from the teachers. Therefore, it should be utilized primarily in the cases of illness, exposure, or injury. **Students who miss school for reasons other than illness should contact a school administrator for approval prior to virtual participation.** Students who are ill with any symptoms should stay home from school. If your child will be absent from school, please communicate with the school office as soon as possible in the morning. You may email the office at [appointments@charlestoncatholic-crw.org](mailto:appointments@charlestoncatholic-crw.org) or begin calling the office as early as 7:15 to make us aware of an absence so we can prepare. Middle school starts class at 7:45 and high school starts at 8:00. Letting us know before school starts will help make the day go more smoothly for everyone!

**RETURN TO SCHOOL GUIDELINES AND VIRTUAL PARTICIPATION-** Students who are ill will remain out of school for 3 days with improving symptoms. A negative COVID test or documentation of another condition (eg. strep throat,

ear infection) from the student's physician will be required for a student to return to school. Students may attend school virtually for the days they are home if they are well enough and the office has been notified by a parent prior to the student logging on. Students who are sent home sick during the school day will follow the guidelines for three days of improving symptoms and a negative COVID test or documentation of another condition to return. **Students who leave during the school day will NOT participate virtually for the remainder of that day. They may begin to participate virtually on their first full day of the absence.** If a student misses class due to illness, it is important that he/she touches base with the teacher **and** checks Google Classroom for make up work. Students should not assume that all classes will be recorded.

**TUITION RATES FOR 2021-21**—will be released in mid-April and invoices will be mailed at that time.

**DIOCESAN TUITION ASSISTANCE**— For the thirtieth year, the Diocese of Wheeling-Charleston will continue its tradition of offering the Tuition Assistance Program (TAP) in an effort to keep Catholic school education affordable for Catholic families who desire it but may need some financial assistance to make that dream a reality. ## UPCOMING EVENTS

**THE HIGH SCHOOL SCIENCE BOOK CLUB**-- reading selection for the second semester is Charles Darwin's On the Origin of Species: A Graphic Adaptation by Michael Keller, Illustrated by Nicole Fuller. Any high school student may join this club. We will meet four times this semester on Google Meet to discuss assigned sections of the book. The first meeting will be in February, so interested students should acquire a copy of the book soon. Contact Mrs. Arnold for more information or to get an invite to join the Google Class site for Science Book Club.

**FRIDAY, FEBRUARY 12**-- We will continue our annual tradition of remembering *Bobby Hypes*, a member of the CCHS class of 2008 who died of heart disease on February 5, 2006, with a "Wear Red for Bobby Day." Students may wear red sweaters/shirts with jeans or khakis with a \$2 contribution to help fund the CCHS Bobby Hypes Memorial Scholarship. The partial-tuition scholarship, awarded to a rising freshman each year, celebrates Bobby's life and reminds each of us to live as Bobby did – kindly, appreciatively, and enthusiastically. Mr. and Mrs. Hypes will be unable to join us for lunch this year due to our visitor restrictions in the school building, but they are thrilled we will be continuing the tradition. Donations to the scholarship fund are also accepted.

## FROM THE SCHOOL OFFICE

**PARENT ALERT COMMUNICATION TOOL**—Remember that we will be using our Parent Alert text system (a Ren Web component) as a means of communication in addition to the school website ([www.charlestoncatholic-crw.org](http://www.charlestoncatholic-crw.org)), Twitter feed, and RenWeb email. Make sure your contact information in RenWeb is correct and up to date! Be on the lookout for these texts with important school updates including announcements from the school office AND ALL WEATHER RELATED CLOSINGS/ DELAYS.

**VIRTUS**– Be sure you're on board to help! All parents or other adults who volunteer, coach, drive students, chaperone, etc., are required by the Diocese to complete the diocesan sexual abuse awareness training before being allowed to work with our students. Training is available online. To begin, visit the [VirtusOnline.org](http://VirtusOnline.org) and choose the online option. Allow 1- 1½ hours to complete the program. Print out the certificate of completion and submit it to Mr. Villers. It is still necessary to complete the background check and sexual abuse awareness statement which can be done by clicking on the link at the school website at [www.charlestoncatholic-crw.org](http://www.charlestoncatholic-crw.org). If you have questions, please call Mr. Villers.

**Adults who volunteer, coach, or chaperone, may be asked to update background and policy forms. Background checks must be updated every three to five years depending on your role in the school. Policy questionnaires should be updated if they were signed before 2014. Current Diocese guidelines do not require volunteers to update the training portion of VIRTUS. Please contact Mr. Villers with any questions and to update your forms.**

**GLOVES NEEDED**-- The science department is in need of latex and vinyl gloves of all sizes for dissections and other lab activities. Please contact Mrs. Arnold to coordinate a donation or drop off any gloves in the office. Many thanks!

Please note that any form filled out for the purpose of evaluation must be sent directly to a specific doctor or group; forms will not be returned to the child or parent.

**IMMUNIZATIONS**--The health department asks all schools to keep students' immunization records up to date. If your child has had recent shots, please send CCHS a copy of new health records. **All rising 7th graders are required to have a Tdap booster and first meningococcal vaccine before they enter school in August. Rising 12th graders are required to have the second dose of the meningococcal vaccine before they enter school in August. Once your child has these vaccines, an updated immunization record must be submitted to Mrs. McLaughlin.**

We are committed to raising **\$25,000, the amount needed to purchase all the building materials for the construction of the new home.** CAM will supplement our fundraising efforts with the materials necessary to complete the repairs on the other houses at which we will work, making these houses warmer, safer, and drier. A **slide show of our HOPE experience in the summer of 2019** can be viewed on our school website under the "Community Outreach" tab. The slideshow includes photos of the new house that some of our volunteers helped construct in Mingo County. The house was built for a mom and her two young children.

## ATHLETIC UPDATES

**STUDENT-PARENT ATHLETIC COMPACT**- Participation in athletics should be a positive learning experience for our young people. There will be disappointments, but the goal is that student athletes feel supported and satisfied with the overall experience. Parents of student-athletes play an important role in helping their children learn how to participate appropriately. Parents should set the example that is expected of our students. Namely, they should exhibit good sportsmanship and show respect for everyone associated with the program. They should help establish balance in their children's lives by supporting participation in athletic and extracurricular activities while placing primary importance on academics. Parents should give consistent encouragement and support to their children regardless of the degree of success, the level of skill, and the time on the field, and they should leave the coaching to the coaches and not place their children in the uncomfortable position of having to choose between their parents or their coach. Our athletic program would not be possible without the support of our parents, and we thank you for your commitment. Additional details of the Student-Parent Athletic Compact can be found in the Parent-Student Handbook.

**BASEBALL GAME DAY SPONSORSHIPS**- Our high school and middle school baseball teams are scheduled to play 2021 home games at the Shawnee Sports Complex. While the field usage cost of our home games is included in our field sponsorship, we are responsible for the field usage cost for our practice time on the field. **Please consider a Game Day Sponsorship.** A **\$200 donation** will help us cover the cost of the field rental for a few days of practice. **Your firm, company, or family's name will be displayed at the field on your game date.** Baseball Game Day Sponsor Forms are available online on the school website. Click on the "Athletics Home" tab or search "Baseball Game Day Sponsorship."

**BASEBALL FAN GEAR ON SALE NOW** - February means spring training is right around the corner. Be ready for the season with **2021 Charleston Catholic Baseball Fan Gear.** Order forms and payment are due February 12. Order forms are available online on the school website. Click on the "Athletics Home" tab or search for "Baseball Fan Gear." Forms are also available on the CCHS Facebook, Instagram and Twitter sites.

**ATHLETIC ELIGIBILITY** – Keep in mind that eligible students must have at least **an unweighted 2.0 grade point average for the semester** and must be in good behavioral and academic standing at CCHS in order to participate in extracurricular activities. Attaining such standards should be a given for our students.

\*The middle school conference will not be having a County Championship Tournament this year in any of the sport seasons. While this is disappointing, plans are in the works for a showcase that will be live streamed to showcase all the middle school athletes and programs.

All individual schedules will be posted on the school website ([www.charlestoncatholic-crw.org](http://www.charlestoncatholic-crw.org)).

**LIVE STREAMING OF GAMES--** Charleston Catholic once again will be partnering with Video Productions to bring you live broadcast of some sporting events this year. Please email [jacob.nelson@charlestoncatholic-crw.org](mailto:jacob.nelson@charlestoncatholic-crw.org) for additional details or if you know any businesses who would like to sponsor. The more sponsorships we have the more games we can broadcast!

**ADDITIONAL ATHLETIC DETAILS--** Based on the dates above, there is more of an overlap of seasons than in years past. This is going to be a challenge for athletes who participate in both winter and spring sports. Athletes will still be able to participate in all the sports they would play in a normal school year. Both middle and high school athletes may participate in both seasons at the same time. The WVSSAC rule regarding winter and spring sport athletes states that if an athlete is playing a winter sport, he/she will only need to attend five spring practices to be eligible for spring sporting events. That being said, academics come first and our coaches recognize that this year's schedules will be more challenging. Please communicate with them and Mr. Nelson if time is needed for school work.

We are still developing guidelines on attendance, flex days, and conditioning and will be communicating those to coaches in the near future. Once we have more information we will update you.

Please follow our twitter page @cchssports for updates on scheduling, live streams, and other athletic news.

Please email [jacob.nelson@charlestoncatholic-crw.org](mailto:jacob.nelson@charlestoncatholic-crw.org) if you have any questions.

## MANY THANKS

- to our students for their good attitudes and positive spirits despite the many challenges presented this year. They continue to come in with smiles on their faces and to work hard in their classes whether in the building or from home.

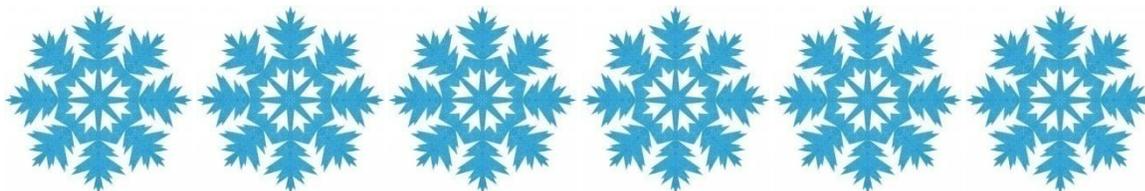

- to our teachers for their continued dedication to their students working long hours and thinking creatively to be sure that students are learning despite the many changes this year has brought.

- to the guest speakers - veteran and new to our program - that helped our senior World Religions course come to appreciate the great diversity of Christian worship in Charleston: Rev. Sharletta Green of the Methodist tradition, Pastor Jaime Wright of Grace Life Church, Revs. Cindy Briggs-Bioni and Darick Biondi who spoke on Church History, and Fr. Joseph Hazar of St. George's Orthodox Cathedral. We would also like to thank the Catholic Committee of Appalachia for connecting us to our guest speaker for Native American traditions. Our students greatly appreciated the time with Lianna Costantino of the Eastern Band of Cherokee in western North Carolina. Thank you Miss Lianna for sharing your tradition and stories. We are so very grateful for all who shared their time with us!

## SCHOOL CLOSURE INFORMATION

**SCHOOL CLOSINGS/DELAYS DUE TO SNOW/ICE** – We are in the winter months when snow is possible on any day. Let's be ready! Here's a brief reminder of the CCHS weather policy. **Remember that school closings and delays are texted through Parent Alert, are announced on the CCHS website, and are tweeted through cchsnews.**

- 1) CCHS/SHGS will NOT follow ANY of the Kanawha County Schools' weather-related procedures.
- 2) Families may connect to the CCHS website or listen to the radio/television for changes to CCHS/SHGS schedules. The following stations will be notified by 6:15 a.m. if there are changes to be made: WV Public Radio, WCHS, WCHS-TV, WSAZ-TV, WOWK TV, V100, 96.1, and WKAZ. **The CCHS website will be updated, a tweet will be sent through cchsnews, and a Parent Alert text will be sent. PLANS FOR THE DAY (WHETHER REMOTE LEARNING, E-DAY, OR DAY OFF) WILL BE INCLUDED IN THE ANNOUNCEMENT OF THE CLOSURE.**
- 3) If no announcements are made for CCHS/SHGS, classes will be held on the regular schedule.
- 4) **If a two-hour delay is announced, classes will start promptly 2 hours after the normal start time. Middle school classes will start at 9:45 a.m. and high school will start at 10 a.m.** The building will not open until 9:30 to give staff time to get to school. Please do not drop off your children before 9:30!
- 5) As always, if you cannot get your child to school for health or safety reasons, notify the school.

## SNOW E-DAY POLICY

Though we hope not to need our “e-day plan,” we want to alert our school community to the possibility now. **In the event that the e-day policy becomes active, it will be noted on the school website and in the messages (Parent Alert and cchsnews) that announce the school closing.**

**If the e-day should become necessary, the following plan will be activated:**

- 1) By 9 a.m. on days that school is closed, teachers will post instructions for their classes in their Google Classroom.
- 2) Assignments for each class will be about 30 minutes in length. Teachers will keep in mind what materials students would have available at home.
- 3) Completion of each class' assignments is required. Namely, as is the case in a regular instructional day, each e-day assignment counts for a grade in teachers' gradebooks. Failure to complete an assignment will result in a zero for each assignment. Teachers will post details about assignment submission in Google Classroom.
